CONTAINS: Tree Nuts (Coconut), Wheat grass.

CAUTION: Do not take more than directed. High doses of magnesium have been known to cause increased bowel function. Overuse may result in symptoms such as arrhythmia, confusion, difficulty breathing or low blood pressure. If you experience any of these symptoms, discontinue use and consult your doctor. Extreme changes in bowel health or failure to have a bowel movement may indicate a serious condition. Discontinue use and consult your doctor. Do not use if you take tetracyclines, have hypertension, are on a low sodium diet or if you have kidney disease. Do not give to children under 12 years of age.
